All members, friends and new comers are **WELCOME** to attend this annual event. Lots of fun and doggie activities. It's a wonderful opportunity for the schnauzers to meet their kin and do what they do best, play, sniff to-tail... especially the under carriage. And your chance to meet the 'Schnauzer Experts' who will answer your questions. And of course our **famous sausage sizzle**, soft drinks, water, coffee/tea will be available, and other yummy goodies and doggie treats... let's us not forget our **SCOV's RAFFLE** with prizes to be won.

Come out to play and
enjoy a great day out
with my special people,
watching us play with
our kindred spirits!
stay and keep us safe.
